Magic Lantern and West Canadian Digital Imaging are partnering to support Canadian students and educators.

Together, we are:
• Strong Canadian businesses
• Experts in education
• Able to service educators through integrated solutions
• Developing thoughtful programs
• Providing modern delivery of digital and physical content
NAVIGATING CHANGE TOGETHER

Our goal is to help reduce anxiety and instill confidence in students and faculty when they return to campus.

West Canadian does this by providing flexible, thoughtful and customizable signage solutions that promote health and safety to give your visitors peace of mind.

OUR PROCESS

STEP 1: SCHOOL ASSESSMENT
Our Signage Solutions Specialists will meet with you to assess your schools' unique needs, identify critical areas to mitigate risk and recommend materials and applications that will work best in your space.

STEP 2: SOLUTION CONCEPTS
Based on our assessment, we will recommend a solution that integrates our existing signage products with your schools' unique requirements. Mock-ups will be presented for custom solutions as required.

STEP 3: PRODUCE & DELIVER
We produce quality, durable materials that integrate seamlessly into your campus and provide direction to students and faculty. All products in this catalogue are easy to self-install.

INSTILLING CONFIDENCE IN OUR SCHOOLS

Educators across Canada are preparing to re-open their doors safely and with precaution this Fall. The first step is to provide students and faculty with clear guidelines that promote health and safety in schools.

Our Redefined Classroom Signage Program provides you with the resources you need to prepare your educational spaces so that you can reopen your doors with confidence.

Signage Solutions Powered by West Canadian Digital Imaging Inc
PRIMARY & INTERMEDIATE SCHOOLS (K-8)

Teaching younger children about the importance of hygiene and physical distancing will be more critical than ever as schools re-open. Signage can support student learning using fun, educational visuals throughout the classroom.

Common use cases:
- Classroom Hygiene Education
- Desks & Coat Areas
- Washrooms
- Gymnasiums & Libraries

Program Currently In Development

SECONDARY SCHOOLS (9-12)

As students come back to school, school boards must take precautions to protect their health and safety. Instructional signage can minimize contact in communal spaces and remind students of safe practices.

Common use cases:

- Hallways
- Stairwells
- Classrooms
- Gymnasiums
- Libraries
- Washrooms
- Cafeterias
- Communal Spaces

FLOOR DECALS

Floor decals are a noticeable and effective way to enforce physical distancing policies throughout your facility.

Our floor decals are made with anti-slip and non-damaging vinyl that can easily be installed and removed by anyone. All decals are designed with durable materials that can endure walking and washing.

Ideal for:

- High-traffic Areas
- Counters (Where Lineups Occur)
- Elevators
- Kitchens
- Hallways

HYGIENE SHIELDS

Practice Safe Communication

Protect your students’ and faculty’s health and peace of mind. Our sneeze guards allow teachers, office staff and students to maintain a barrier while communicating face-to-face.

Install and Sanitize with Ease

This shield does not require any tools for installation – simply place it on your counter on its slotted feet.

Guaranteed Durability

Made from quality ¼” acrylic, these shields are crystal clear and made to last.
